

and are therefore unprepared to deal with them safely and responsibly.

GCBA wants to make sure that no stinging incident occurs and that no one is placed at risk because we did not do our due diligence.

It was decided that Annette will contact Larry Kelly (Vice-President) to contact the Massey family and express our concerns as well as to verify the certificate by the city of Cleveland and inspection has happened.

Short discussion on the current Facebook situation. Brenda Theurer is doing a good job with posting but has refused to give Allyson May (Treasurer and Board Member) administrative access. Instead Brenda has appointed Joann Romick from Lorain County (unpaid member of GCBA) as a backup administrator. Annette will speak with Kathy Smith who handles our newsletter distribution and ask if she would agree to be added as an administrator of Facebook to handle GCBA social media. Annette will introduce a motion at the June meeting to award a “lifetime membership” to Kathy Smith. It is recommended that the bylaw revisions contain language to address the “social media” aspect of GCBA and that a board member be added as administrator on the Facebook account in the future to guarantee transparency and proper use of postings.
